About the Course

Nestled in the foothills of the Blue Ridge Mountains, Reems Creek Golf Club offers a relaxing and picturesque setting for a day on the links. The golf course was constructed by Hawtree & Sons, a British firm that sculpted a layout reminiscent of the look and feel of the Scottish Highlands.

Reems Creek Golf Course is also designed to be enjoyed in 4 hours, whether you like to ride or walk.

The course measuring from 5300 to over 6400 yards appeals to every level of golfer.
